Attention: Disability Rights Office Room 3-B431

With respect to the FCC ruling that "Closed Captioning" must be placed on all video programming, this non-profit organization, Evangelical Church Rivers of Living Water AYP, is hereby truthfully requesting an exemption due to the fact that such a requirement places a significant "undue burden" on the institution's financial resources.

Evangelical Church Rivers of Living Water AYP is a religious organization in the area of Alexandria, Virginia and does not count with the necessary resources or budget for closed captioning.

Therefore, this organization is sincerely submitting a request that the FCC grants its petition for Exemption from Closed Captioning requirements based on "Undue Burden" due to the limited technological and financial resources this organization has to do closed captioning.

Sincerely,

Sarai Navarrete,
Administrator
