This letter is an appeal.

Action we are Appealing

On January 6th 2012, St Ethelreda School received an Administrator's Decision on Appeal [for an appeal we originally filed directly for USAC] on behalf of St Ethelreda School. The decision states as follows:

- Our records show that your appeal was postmarked more than 60 days after the date your Notification of Improperly Disbursed Funds Letter was issued, as shown above. Federal Communications Commission (FCC) rules require applicants to postmark appeals within 60 days of the date on the decision letter being appealed. FCC rules do not permit the Universal Service Administrative Company (USAC) to consider your appeal.

The date of the postmark on our original appeal with USAC was December 15th, 2011. The following documentation provides additional information on the reason behind the initial appeal filed with USAC.

Action we are Appealing (originally with USAC)

On February 22nd 2010, St Ethelreda School received a Notification of Improperly Disbursed Funds Recovery Letter along with a Funding Disbursement Recovery Report stating:

- During the course of a review it was determined that the applicant did not pay any of the non-discounted portion [Of the Funding Request listed Above]. FCC rules require applicants to pay the non-discount portion of the products or services purchased with universal service discounts.

The first Demand Payment Letter was sent to St Ethelreda School on April 26, 2010. The second Demand Payment Letter was sent to St Ethelreda School on May 27, 2010.

Upon receipt of this letter St Ethelreda School reached out to several sources to attempt to find documentation of the check they know they had paid for the non-discounted portion of the service, including their bank as well as Martin and Associates. St Ethelreda School is confident that they made the appropriate payment to Martin & Associates for the non-discounted portion of the Funding Request. We spoke directly with Martin and Associates, and they are also confident that payment was made for the non-discounted portion.

Comments from Roderick Martin

Martin & Associates

[This email was sent on June 28, 2011]

Stephen,

Per our discussion, this email is to confirm complete payment in full of approximately \$35,690.00 paid directly to Martin & Associates for the matching 10% of the E-Rate funding award. Based upon the amount disbursed by USAC, the amount St Ethelreda School was responsible for approx. \$35,690.00 for FRN 1200832 and 471 App # 1200832.

I remember specifically because the school had to follow specific board meeting and approval requirements to tender payment. Although records were in fact maintained for 5 years, due to moving

and a divorce in which documents were destroyed recently, we do not have a copy of the check and have attempted to get an image of the check deposited by Martin & Associates. The bank has not been able to produce that image yet, however, I can confirm with absolute certainty that the payment was made by the principal, Mrs. Denise Spells, and parish head at the time, Fr. James Nallen.

It is also my understanding that the school has also sought an image of the payment as well and has met the same obstacle with the banks' archiving. Please let me know if I may help further with this matter.

Thank you,

Roderick Martin
Martin & Associates
312-869-0200

Although St Ethelreda School was not initially successful in locating the documentation, we have recently made progress in obtaining scanned images of this payment.

Please take a look at the attached documentation of St Ethelreda's payment of 2 checks in the amounts of \$25,471.41 and \$12,735.70 (\$38,207.11 total) that were used to pay the non-discounted portion of this project. [Pages 5-9 of this appeal contain the images of the checks and documentation of the payment]

St Ethelreda School is currently in a Red Light Status due to delinquent bill #10US014181 in the amount of \$340,479.74. The primary reason for the generation of this invoice was a lack of documentation for St Ethelreda School's payment of the non-funded proportion of a project administered by Martin & Associates for the 2004 ERate Funding Year. Since we have located this documentation, we would like to ask that St Ethelreda School's Red Light Status be removed so that they can file for ERate going forward.

St. Ethelreda School has 289 students in the Gresham & Brainerd neighborhoods on Chicago's South Side. They give their students a safe, nurturing and spiritual place to learn and grow. Their students regularly participate in Community Service; learning the importance of giving from the heart by participating in their monthly food pantry, winter coat drive and holiday toy drive programs for families in need. Their before/after care service attends to the children before and after school, and even provides All Day Care on certain days when school is out. Providing a safe haven at school is more important than ever for children today. St Ethelreda School looks out for their children's well-being.

Thank you once again for taking the time to consider this appeal for St Ethelreda School. Please let me know if you have any questions. Thank you very much for all of your help. We greatly appreciate your time, effort, patience and continued support.

Our routine review of Schools and Libraries Program (Program) funding commitments has revealed certain applications where funds were disbursed in violation of Program rules.

In order to be sure that no funds are used in violation of Program rules, the Universal Service Administrative Company (USAC) must now recover these improper disbursements. The purpose of this letter is to inform you of the recoveries as required by Program rules, and to give you an opportunity to appeal this decision. USAC has determined the applicant is responsible for all or some of the Program rule violations. Therefore, the applicant is responsible to repay all or some of the funds disbursed in error.

This is NOT a bill. The next step in the recovery of improperly disbursed funds process is for USAC to issue you a Demand Payment Letter. The balance of the debt will be due within 30 days of that letter. Failure to pay the debt within 30 days from the date of the Demand Payment Letter could result in interest, late payment fees, administrative charges and implementation of the "Red Light Rule." The FCC's Red Light Rule requires USAC to dismiss pending FCC Form 471 applications if the entity responsible for paying the outstanding debt has not paid the debt, or otherwise made satisfactory arrangements to pay the debt within 30 days of the notice provided by USAC. For more information on the Red Light Rule, please see "Red Light Frequently Asked Questions (FAQs)" posted on the FCC website at http://www.fcc.gov/debt_collection/faq.html.

Disbursed Funds Recovery Explanation:

After a thorough investigation, it has been determined that funds were improperly disbursed on this funding request. During the course of review, it was determined that the applicant did not pay any of the non-discounted portion. FCC rules require applicants to pay the non-discount portion of the products or services purchased with universal service discounts. Dear Ms. Dawkins:

On June 9th 2011 we briefly discussed delinquent bill #10US014181 in the amount of \$340,479.74 regarding Filer ID BEN 70370 for St Ethelreda School in Chicago. We have been looking into the situation to assist St Ethelreda School with this invoice because they are currently in a Red Light Status, and we want them to be able to file for ERate going forward. The primary reason for the generation of this invoice was a lack of documentation for St Ethelreda School's payment of the non-funded proportion of a project administered by Martin & Associates for the 2004 ERate Funding Year.

On February 22nd 2010, St Ethelreda School received a Notification of Improperly Disbursed Funds Recovery Letter along with a Funding Disbursement Recovery Report stating:

- During the course of a review it was determined that the applicant did not pay any of the non-discounted portion.

Upon receipt of this letter St Ethelreda School reached out to several sources to attempt to find documentation of the check they know they had paid for the non-discounted portion of the service, including their bank as well as Martin and Associates. We did speak directly with Martin and Associates, and they are confident that payment was made for the non-discounted portion. Although St Ethelreda School was not initially successful in locating the documentation, we have recently made progress in obtaining scanned images of this payment, and we intend to file an appeal with ERate in the near future.

Thank you again for sending us the information on the delinquent bill. Once we obtained the delinquent invoice we were able to use that information to locate the prior communications listed above. If at all possible please allow us to file our appeal(s) before this invoice is forwarded to Treasury for collection. We greatly appreciate all of your time, effort, patience and continued support with this process.
