Re: Notice of *Ex Parte* Presentation, CG Docket No. 02-278

Dear Ms. Dortch:

Yesterday, I met with Angela Kronenberg, Legal Advisor to Commissioner Clyburn, on behalf of Portfolio Recovery Associates, LLC, in connection with the above-referenced docket.

In the meeting, I explained that the FTC's Telemarketing Sales Rule ("TSR") applies only to telemarketing calls, and that any proposal to align the Commission's rules with the TSR therefore should not apply to non-telemarketing calls. I also discussed the history and consequences of the Commission's decision to treat predictive dialers as "automatic telephone dialing systems" and "autodialers" under its rules, as well as the benefits that would result through increased productivity, lower costs and quality control if predictive dialers were treated differently.

Pursuant to the Commission's rules, I am filing a copy of this letter in the above-referenced docket. Please contact me if you have any questions.

Respectfully submitted,

/s/

Yaron Dori
