

i need Verizon Wireless to offer an unlimited data usage plan for 35.00 a month including free unlimited mobile hotspot and free USB/WIFI tethering on all Verizon Wireless 3G/4G LTE Devices instead of Verizon Wireless only offering 2GB, 5GB, 7GB, 10GB, 12GB data plans. i need Verizon Wireless to Stop Throttling Current Verizon Wireless Unlimited Data Usage Customers and i need Verizon Wireless to offer 3G HSPA+ 7.2Mbps download speed/1.9Mbps upload speed like AT&T all over the United States Of America including the Whole Town of Concord, Massachusetts by February, 13, 2012.

thanks,
