

To FCC Commissioners Genachowski, Clyburn and McDowell:

<br />

<br />I have watched the media consolidation in the Los Angeles market with great dismay.

<br />

<br />Channels 2 & 9 are owned by CBS and share newsrooms and reporters.

<br />

<br />Channel 5 is owned by Tribune which also controls the Los Angeles Times.

<br />

<br />Channels 11 & 13 are owned by News Corp. Channel 13 literally replays the news broadcasts of Channel 11 one half hour later.

<br />

<br />And this is in a one major newspaper metropolis and the second largest television market in the nation.

<br />

<br />Shame!

<br />

<br />Regards,

<br />
