

To FCC Commissioners Genachowski, Clyburn and McDowell:

<br />

<br />Independent media is a MUST in a free society that truly values the right of free speech. To think that media owners do not influence what shows up in the media they control is to be ignorant of human nature &minus; we ALL try to influence others to see things as we see them. We are at our best when we are able to determine from a variety of presentations of &quot;truth&quot; that which we as individuals interpret to be our own best &quot;truth. PLEASE, DO NOT ALLOW ANY FURTHER EROSION OF THE INDEPENDENCE OF OUR MEDIA!!!

<br />Regards,

<br />
