

I use gps for both buisness and pleasure. interfeiriing with GPS for locations would be unacceptable it would effect both my buisness and my personal boat travels down the waterways.

? This proposal by lightSquare must be stopped unitl there is a way to block it from GPS signals.

? Wireless broadband service is important, but it should not come at the expense of GPS.

? All the studies show that LightSquared?s proposed network would cause interference and that there are no remedies.

? FCC Irely on you to protect the integrity of the GPS signal and that you support their recommendation to stop LightSquared?s current proposal.
