EX PARTE PRESENTATION

Ms. Marlene H. Dortch
Secretary
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Re: Ex Parte Presentation in IB Docket No. 11-150, *DISH Network Corporation Files to Acquire Control of Licenses and Authorizations Held By New DBSD Satellite Services G.P., Debtor-in-Possession and TerreStar License Inc., Debtor-in-Possession*; IB Docket No. 11-149, *New DBSD Satellite Service G.P., Debtor-in-Possession, and TerreStar Licensee Inc., Debtor-in-Possession, Request for Rule Waivers and Modified Ancillary Terrestrial Component Authority*

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, DISH Network ("DISH") submits this letter summarizing two meetings regarding the above-referenced proceedings. First, a telephone conference on Thursday, March 1, 2012 between Rick Kaplan, Chief of the Wireless Telecommunications Bureau; John Leibovitz, Deputy Chief of the Wireless Telecommunications Bureau; Thomas Cullen, Executive Vice President of DISH; Stanton Dodge, Executive Vice President and General Counsel of DISH; and Alison Minea, Corporate Counsel for DISH. And second, a meeting on Friday, March 2, 2012 between Mr. Kaplan; Mr. Leibovitz; Mr. Cullen; Mr. Dodge; Ms. Minea; Amy Levine, Senior Legal Advisor for Chairman Julius Genachowski; and Rod Porter, Deputy Chief of the International Bureau.

During the meetings, DISH discussed why immediate and simultaneous approval of the license transfers and associated waiver requests is critical to DISH's ability to move forward with its planned nationwide wireless network. We also discussed additional potential conditions on the waivers to serve the public interest, including further discussion of buildout milestones and a condition to facilitate more immediate use of S-Band spectrum during the buildout period.

Respectfully submitted,

/s/ Alison A. Minea
