

I use gps constantly. i navigate my boatby gps both is the great lakes and the Gulf in Florida. Sometimes this is at night and i must have accurate signals. Also i use gps in the course of my business. it is extremely important to efficiently find my customer businesses. This is my livelyhood. Please don't allow thee signals to become degraded. The gps system is a work of art and a n extremely usefull tool. Why jepordize it ? Thank you
