

There is absolutely no conceivable circumstance in which the government should be allowed to shut down cell networks. It is absolutely disgusting that we would call Egyptian dictator Mubarak a tyrant and then take a page out of his playbook.

HE WHO IS WILLING TO SACRIFICE LIBERTY FOR SECURITY DESERVES NEITHER AND WILL LOSE BOTH.

A certain level of risk and chaos is the price we pay for living in a free society. I sincerely hope you never allow another government agency to ever again engage in such wanton repression and collective punishment.
