RE: *Faces Of Abortion Television Show*

Gentlemen:

The Justice Foundation, a 501(c) 3 non-profit organization has produced five seasons of a television show "Faces of Abortion." There were minimal costs involved with these shows as the use of cameras, use of studio, and guests' time were all donated. The air time for these shows are being donated as well by Sky Angel television and TBN.

Because we are a non-profit organization, we do not have the funds to pay for close captioning for these shows. We hereby request that The Justice Foundation be granted an exemption from close captioning.

Thank you for your kind attention to this matter.

Very Truly Yours,

  
Allan E. Parker, Jr.  
President

Before me, the undersigned authority, on this day personally appeared ALLAN E. PARKER, who, after being by me duly sworn, upon oath stated as follows:

“My name is Allan E. Parker and I am the President of The Justice Foundation, a 501 (c) 3 non-profit organization.”

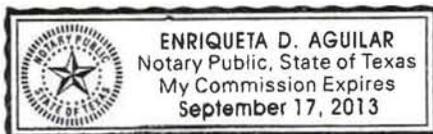

“I have personal knowledge that our television show *“Faces of Abortion”* was produced at substantially very little cost to us. The use of cameras, studios, time of guests, were all mostly donated to The Justice Foundation. The Justice Foundation does not have funds to pay for close captioning of said programs.”

“In fact, since 2008 our overall budget as an organization has declined substantially since our previous exemption was granted, so we are financially less able to close caption.”

SIGNED this the 6<sup>th</sup> day of February, 2012.
