To the Commission:

**REQUESTS PURSUANT TO THE
PRIVACY ACT AND FREEDOM OF INFORMATION ACT**

COMES NOW the Petitioner, JAMES EDWIN WHEDBEE, who pursuant to the Privacy Act and the Freedom of Information Act, and all other associated and related laws, statutes, treaties, rules, regulations, and precedents, respectfully requests the Commission send the following to Petitioner in unredacted form...

- [1] All hard-copy (paper or any other media), sticky-note, or electronic communications between personnel within the Commission regarding ReconRobotics;
- [2] All hard-copy (paper or any other media), stick-note, or electronic communications between the Commission and ReconRobotics or between the Commission and representatives (in any capacity) of ReconRobotics;
- [3] All logs, records, sign-in documents, or entries (electronic or physical) documenting in any form (directly or indirectly) face-to-face contacts between representatives of ReconRobotics and the Commission, telephone conferences between representatives of ReconRobotics and the Commission, or other contacts between ReconRobotics and the Commission;
- [4] All permit or license applications - including special temporary authorization/special field test authorization (STA/SFTA) - together with accompanying submissions, exhibits, records, or other documentation from ReconRobotics or its affiliates to the Commission;
- [5] All equipment authorization applications - including those of a temporary or developmental nature - together with accompanying submissions, exhibits, records, or other documentation from ReconRobotics or its affiliates to the Commission;
- [6] All correspondence and/or documentation of every nature whatsoever in the

possession of the Commission which includes therein the following key words: ReconRobotics, Recon Scout, Whedbee, ARRL, or Mitchell Lazarus; and,

[7] All tests conducted by the Commission, any entity on behalf of the Commission, and those conducted by ReconRobotics on the device known as "Recon Scout" are requested together with all schematic diagrams, operating manuals, and technical documentation associated therewith in any form within the preceding 15 years.

To the extent any one or part of the foregoing requested items is identified as national security classified, the Petitioner shall submit forthwith to the Commission, under separate submission as and exhibit entitled: "Clearance", a copy of his Department of Defense secret/interim top secret security clearance and requests, pro hac vice, the same be deemed sufficient clearance to review the aforementioned item(s). To the extent the clearance is not deemed sufficient, Petitioner demands declassification of the classified item(s). To the extent any one or part of the foregoing requested items are treated by ReconRobotics as proprietary, because the item(s) sought are subsidized in whole or part by public taxpayer funding - either through the military or police departments - Petitioner requests the item(s) be released as public domain. All foregoing releases are requested without any form of manipulation, delay, excuse, or obfuscation.

Furthermore, except for classified material, Petitioner requests the foregoing be posted in the record of the proceedings in WT/WP Docket No. 08-63, proceedings under Petition to Deny and Petition for Reconsideration (File Nos. 0004270113, et al.), and proceedings under Petition to Deny (File Nos. 0005081433, et al.). Classified material in the Petitioner's possession following review will be returned under the same original cover to the Commission using appropriate protocols for delivery of national security classified material.

WHEREFORE, pursuant to the Freedom of Information Act and Privacy Act together with all associated laws, statutes, treaties, rules, regulations, and precedents, the foregoing are requested immediately and without delay in the manner and using the means herein described.

Respectfully Submitted:

17 MAR 2012
