

I was listening to 971 am radio today at 3:45pm. A dj named FRANK WUCO came on as an ISLAMIC JIHADIST, , There was an announcement made that this is "entertainment". This is NOT entertainment. It is this deranged man, FRANK WUCO of the above radio station stating what JIHAD is and complete with the mid eastern agent. He was stating and i quote that it was jut for the terrorist in France to kill jews as they are the cause of all the problems. The listener that immediacy phoned in were furious with him. This is totally insane to hear this crap in the USA. With our soldiers dying everyday and 911 in the recent past. I find this broadcast unbelievable. I also find it unbelievable that an FCC licensed station would allow this filth. I demand the FCC immediately stop this man and pull his license and 970 Am for allowing this.

Dr. Adler I would like an answer asap.
