Re: Cellco Partnership d/b/a Verizon Wireless *Erratum* to Response to Information and Document Request

Application of Cellco Partnership d/b/a Verizon Wireless and SpectrumCo, LLC For Consent To Assign Licenses and Application of Cellco Partnership d/b/a Verizon Wireless and Cox TMI Wireless, LLC For Consent To Assign Licenses, WT Docket No. 12-4

Dear Ms. Dortch:

On Thursday, March 22, 2012, Cellco Partnership d/b/a Verizon Wireless filed its response to the FCC Information and Discovery Request of March 8, 2012 in the above-referenced docket. Included with that submission were two Summation load files containing documents produced responsive to FCC requests. Upon further review of the Summation data, Verizon Wireless has determined that its vendor did not include required metadata for some of the documents that were produced. Verizon Wireless has received a new Summation load file correcting these issues that should be substituted for the data provided on March 22, 2012. This load file replaces both of the prior Summation load files provided on the 22nd. The new submission does not add to or exclude any documents from the material previously provided, merely supplements the metadata for those documents. The prior data should be promptly destroyed.

Should any questions arise concerning the Response or the electronic media provided in connection with this filing, please contact the undersigned.

Sincerely,

A handwritten signature in black ink that reads "John T. Scott, III". The signature is written in a cursive style with a horizontal line under the name.

John T. Scott, III
