The Centralia R6 School district is requesting a window waiver of the March 20, 2012 deadline to allow posting of the 471 on e-rate. The reasons for the delay was due to illness and death as listed below.

Transferring responsibility for E-rate filing from Technology to Accounting. Planned meeting for March 6 to file form 471 was rescheduled for March 13 due to illness of Technology Director. March 13 meeting rescheduled due to illness of accountants children (Influenza A) which made her schedule erratic for the next week. Death of Technology Director father-in-law postponed all meetings for March 17 through 23.
