Re: **PS Docket No. 08-146**
Election to Transmit Commercial Mobile Alert System Alerts
ACS Wireless, Inc.

Dear Ms. Dortch:

Pursuant to directives of the Federal Communications Commission in its *Third Report and Order*, 23 FCC Rcd. 12561 (2008), and Section 10.230 of the Commission's Rules, 47 C.F.R. § 10.230, ACS Wireless, Inc. ("ACS-W"), a Commercial Mobile Service provider, hereby submits a change of election from that filed September 4, 2008, wherein ACS-W initially chose not to transmit emergency messages as part of the Commercial Mobile Alert System (CMAS). ACS-W hereby submits its election to participate in CMAS and states as follows:

1. ACS-W elects to transmit CMAS emergency alerts.
2. ACS-W agrees to transmit such alerts in a manner consistent with the technical standards, protocols, procedures and other technical requirements implemented by the Commission.
3. ACS-W commits to support the development and deployment of technology for the "C" interface, the CMS provider Gateway, the CMS provider infrastructure, and mobile devices with CMAS functionality and support of the CMS provider selected technology.

Should the Commission require further information from ACS-W, it will be provided.

Very truly yours,
