

**Even though I wrote last summer, I want to reaffirm my request to you, the FCC, to protect the GPS signal by saying "No" to LightSquared's current proposal. Given this company's tenacity over the last year, I want to make sure that boaters' and pilots' needs are remembered as the FCC makes its final decision.**

**I understand that wireless broadband service is important, but it should not come at the expense of GPS, and, as I understand it, all of the studies show that LightSquared's proposed network would cause interference and that there are no remedies.**

**We, the boaters, pilots and lost vacationers rely on the FCC to protect the integrity of the GPS signal and that I support the staff recommendation to deny LightSquared's current proposal.**
