Dear Valued Customer:

TeleGuam Holdings, LLC (TeleGuam), in order to more efficiently and better serve its valued customers, will assume effective May 1, 2012 direct responsibility for the provision of long distance service to you currently provided by our affiliate, GTA Services, LLC. This change does not affect your services or rates.

You may choose another carrier for your long distance telephone service, subject to any termination restrictions in your current contract. Unless you elect to change your carrier, no action is required by you and you will continue to receive the same, excellent services without interruption. You will not be charged any carrier-change fees as a result of any changes made prior to May 1, 2012 or for the change from GTA Services, LLC to TeleGuam.

If you have a freeze on your preferred long distance carrier, that freeze will be automatically lifted on May 1, 2012 in order to complete the change. If you would like to re-apply this freeze, please contact our Customer Service at the numbers provided below after May 1, 2012 to re-apply the freeze. Please note that any "freeze" you have placed on your existing telephone lines to prevent unauthorized transfer to another long distance carrier will be over-ridden for purposes of this transaction, and will need to be reinstated by you after the transfer is complete.

Providing excellent and uninterrupted service to our valued customers continues to be our top priority. Your existing rates, configuration and billing will remain the same, with no changes. The TeleGuam Customer Service number is (671) 644-4482. Please use this number for any questions or concerns you may have prior to or during the transfer period.

Thank you.
