Re: Amendment to Election to Participate in
 Commercial Mobile Alert System
 Docket 08-146
 Flat Wireless, LLC (FRN 0017178567)
 Flat West Wireless, LLC (FRN 0019173921)

Dear Ms. Dortch:

Flat Wireless, LLC and its subsidiary Flat West Wireless, LLC (together, "Flat") initially elected to participate fully in the Commercial Mobile Alert System, per its letter to you of September 8, 2008. Due to technical issues, Flat has determined that it will be unable to participate in several BEAs in which it provides service.

Accordingly, Flat hereby amends its September 8 Notification to advise the Commission that it elects to participate in the Commercial Mobile Alert System, except in the BEAs identified in Attachment A. Apart from those identified areas, Flat agrees to transmit alerts in a manner consistent with the technical standards, protocols, procedures, and other technical requirements implemented by the Commission. In this connection, Flat will support the development and deployment of technology for the following: the "C" interface, the CMS provider Gateway, the CMS provider infrastructure, and mobile devices with CMAS functionality and support of the CMS provider selected technology.
