

I want more competition in cellular service that will help reduce prices, and LightSquared will bring new competition to big cellular companies with high prices.

I want better coverage and service reliability, especially in rural America, and LightSquared will provide it.

I want more cellular capacity so that more calls can go through in an emergency, and LightSquared will deliver extra, desperately-needed infrastructure.

I want LightSquared to have a fair chance to bring their offerings to underserved and overpriced cellular service.
