**Re: Ex Parte Communication**  
**MM Docket No. 00-168; MM Docket No. 00-44**

Dear Ms. Dortch:

On April 20, 2012, the National Association of Broadcasters, the ABC, CBS, NBC, Fox, and Univision television station groups, and 11 television station groups filed a proposal with respect to the online political file issues that have been raised in this proceeding. In that filing, we noted that the respective counsel for all 50 state broadcasters' associations would be recommending to the associations that they support the consensus proposal attached to the April 20 letter. We now confirm for the record that all 50 state broadcasters associations have approved the proposal.

Respectfully submitted,

/s/

Jonathan D. Blake
