Re: Cellco Partnership d/b/a Verizon Wireless Supplement to Response to Information and Discovery Request

Application of Cellco Partnership d/b/a Verizon Wireless and SpectrumCo, LLC For Consent To Assign Licenses and Application of Cellco Partnership d/b/a Verizon Wireless and Cox TMI Wireless, LLC For Consent To Assign Licenses, WT Docket No. 12-4

Dear Ms. Dortch:

On March 22, 2012, Cellco Partnership d/b/a Verizon Wireless filed its response to the FCC Information and Discovery Request of March 8, 2012 in the above-referenced docket.¹ That response has been updated and supplemented in subsequent filings. By this filing, Verizon Wireless provides further data in response to the FCC's Information and Discovery Request including:

- As discussed with FCC staff, Verizon Wireless is providing a database overlay that will adjust the confidentiality designations for documents produced in VZW-004, VZW-005, VZW-006, and VZW-007 as either highly confidential, confidential or public, as appropriate.² The overlay has been placed on a disk titled "VZW-008" in files

¹ Information and Discovery Request for Verizon Wireless (attachment to Letter from Rick Kaplan, Chief, Wireless Telecommunications Bureau, FCC, to Michael Samscock, Cellco Partnership, dba Verizon Wireless, WT Docket No. 12-4 (dated March 8, 2012)). The FCC updated and modified Request 3 on March 13, 2012.

² As discussed with FCC staff, given the subject matter of the requests to which these documents were responsive, and in order to expedite production of the documents, all documents in VZW-004 through VZW-007 were temporarily designated "Highly Confidential" under the *Second Protective Order* in this docket. See *Application of Cellco Partnership d/b/a Verizon Wireless and SpectrumCo, LLC For Consent To Assign Licenses and Application of Cellco Partnership d/b/a Verizon Wireless and Cox TMI Wireless, LLC For Consent To Assign Licenses, WT Docket No. 12-4*, Supplement to Response of Cellco Partnership d/b/a Verizon Wireless to Information and Discovery Request, WT Docket No. 12-4 (filed April 19, 2012); *Application of Cellco Partnership d/b/a Verizon Wireless and SpectrumCo, LLC For Consent To Assign Licenses and Application of Cellco Partnership d/b/a Verizon Wireless and Cox TMI*

Confidentiality_Overlay_002_HIGHLY_CONFIDENTIAL.

- Also as discussed with FCC staff, Verizon Wireless is providing database overlays that (1) supply the native files for Excel documents that were produced in VZW-004 only in tiff format; (2) update responsive tagging for documents previously produced in VZW-006; and (3) provide new tiff images for five documents produced in VZW-004.

Should any questions arise concerning this filing or the electronic media provided in connection with this filing, please contact the undersigned.

Sincerely,
