Re: *Telecommunications Carriers Eligible for Universal Service Support*, WC Docket No. 09-197; *Lifeline and Link Up Reform and Modernization*, WC Docket No. 11-42

Dear Ms. Dortch:

On Wednesday, May 16, 2012, Lance Steinhart, John Nakahata, and Heather Kirby, on behalf of Tele Circuit Network Corporation (“Tele Circuit” or the “Company”), as well as Tommy Allen, Operations Manager of Tele Circuit, spoke with Kimberly Scardino, Divya Shenoy, Garnet Hanley and Jonathan Lechter of the Telecommunications Access Policy Division. We discussed Tele Circuit’s wireline Compliance Plan as filed on May 4, 2012 and the Company’s wireless Compliance Plan as originally filed on February 15, 2012 and amended on April 2, 2012.

Tommy Allen gave an overview of the Company and its operational history. Mr. Allen explained how Tele Circuit will maintain its wireline operations and is in the process of finalizing implementation for its wireless operations. For wireline, we discussed the process of receiving the Lifeline subsidy through an underlying carrier versus through USAC. We also discussed the financial capability of Tele Circuit. Mr. Allen highlighted Tele Circuit’s experience in the wireline industry and the technical expertise of its management team. We discussed Tele Circuit’s enrollment process and procedures regarding fraud prevention. We also discussed Tele Circuit’s Certification forms and suggested changes.

Finally, Tele Circuit agreed to have all suggested changes made to its Certification forms and Compliance Plans and to file revised Compliance Plans.

Respectfully submitted,

/s/ LANCE STEINHART

Lance J.M. Steinhart
Attorney for Tele Circuit Network Corporation

Ms. Marlene H. Dortch
