Comments of Magnetrol International, Incorporated

Magnetrol International, Incorporated is recognized worldwide as the preferred partner in the global supply of level and flow control solutions. Our customers' process environments are complex, dynamic, and ever-changing places. To address these diverse control needs, Magnetrol offers the broadest range of technological solutions adapted to level and flow control.

Magnetrol is a member of the Measurement, Control & Automation Association (MCAA), and participated in preparing the MCAA comments being filed today.

Magnetrol is filing separately to emphasize its independent support for the positions advocated by MCAA.

Respectfully submitted,

A handwritten signature in black ink that reads "Mitchell Lazarus". The signature is written in a cursive style with a prominent initial "M".
