COMMENTS OF AT&T SERVICES, INC.

AT&T Services, Inc. (AT&T) submits the following response to the Commission's May 23, 2012 Public Notice seeking comments on the recommendations of the Technical Advisory Board for First Responder Interoperability (Interoperability Board or Board), established pursuant to the Middle Class Tax Relief and Job Creation Act of 2012 in PS Docket No. 12-74.¹

AT&T would like to congratulate the Technical Advisory Board for First Responder Interoperability on their final report of Recommended Minimum Technical Requirements to Ensure Nationwide Interoperability for the Nationwide Public Safety Broadband Network on May 22nd, 2012². The Board was given only a short time to develop the recommendations, but the final report is an exceptional framework for guiding the implementation of the Nationwide Public Safety Network.

Attorney for AT&T Services Inc.

/s/ Michael P. Goggin
