To Whom It May Concern

We are appealing the SID decision to deny funding for FRN(s) 2233394, 2233408, 2233451, 2233483, 2233495, 2233535, 2233679, 2233703, 2233740, 2233782, 2233817, 2233828, 2233842, 2233854, 2233873, 2233892, of 471 Application # 820032. For the funding year of 2011.

In the FCDL dated 2/21/2012 states: DR1:This FRN is denied because the Item 21 Attachment was not received on or before the filing deadline. The Item 21 Attachment is an FCC Form 471 Window filing requirement. You failed to provide sufficient documentation demonstrating the Item 21 Attachment was submitted timely. FCC Forms 471 with Item 21 Attachments that met the FCC Form 471 Window requirements have funding priority over applications received after the filing deadline. Given that funding demand for FCC Forms 471 filed within the window exceeds the amount available for commitment, we cannot consider this FRN for funding.

We are appealing this decision being that this was the first year that this rule was implemented we were not aware of this new rule. Please understand the following as director of a private school in today's financial difficult times we are extremely understaffed, I have to handle many tasks at our school. I also have to rely on some parents who volunteer their time to handle some of the tasks. The filing of the E-rate applications was handled in most part by some of these volunteers the last few years. They had assured me that everything was filed properly. They were not aware of the new rule We have since taken steps to insure that for 2012 we will file our e-rate applications correctly.

We had first appealed directly to USAC and we were denied on April 27, 2012.
