Dear Senator Gillibrand

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the cable companies. The FCC and the DOJ should not approve this deal, which destroys good union jobs and is also bad for consumers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and will end any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

I urge you to reject this proposed deal because it will destroy jobs and hurt consumers. Thank you for the consideration in this matter.

Sincerely
David Territo

DEAR SENATOR SCHUMER,

I AM WRITING TO URGE YOU TO FIGHT THE PROPOSED DEAL BETWEEN VERIZON'S SUBSIDIARY VERIZON WIRELESS AND THE CABLE COMPANIES. THE FCC AND THE DOJ SHOULD NOT APPROVE THIS DEAL, WHICH DESTROYS GOOD UNION JOBS AND IS ALSO BAD FOR CUSTOMERS.

THIS PROPOSED DEAL ENDS A HISTORIC COMPETITION BETWEEN VERIZON AND THE CABLE COMPANIES, INCLUDING COMCAST AND TIME WARNER. VERIZON, THROUGH IT'S SUBSIDIARY VERIZON WIRELESS, WILL FORM A GIANT UNREGULATED QUASI-MONOPOLY WITH THE CABLE COMPANIES.

THIS DEAL WILL BE VERY PROFITABLE FOR VERIZON WIRELESS AND CABLE, ENDING ANY INCENTIVE TO INVEST IN FIOS AND COMPETE AGAINST CABLE. THERE WILL BE FEWER JOBS BUILDING, MAINTAINING, SERVICING AND INSTALLING THE FIOS NETWORK.

BUFFALO, SYRACUSE, ALBANY, AND OTHER

Dear Senator Schumer,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the cable companies. The FCC and the DOJ should not approve this deal, which destroys good union jobs and is also bad for consumers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and ending any incentive to invest in FIOS and compete against cable. There will be fewer jobs building, maintaining, servicing, and installing the FIOS network.

Buffalo, Syracuse, Albany and other Upstate cities and rural areas, as well as Eastern Long Island, will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FIOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers.

Thank you for your consideration in the matter.

Dear Senator Ayotte,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

As you know, Verizon was able to shed its Landline/DSL/Fios service in Northern New England. These proposed agreements between Verizon Wireless and Comcast (or Time Warner Cable) would likely destroy already weak competition in many of your more-rural markets. This, in turn, would eventually lead to job loss and increased costs for New Hampshire consumers due to reduced competition.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.
