Dear Senator Lautenberg,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Areas without FiOS franchises will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

The Honorable Frank R. Lautenberg

Dear Senator Lautenberg,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

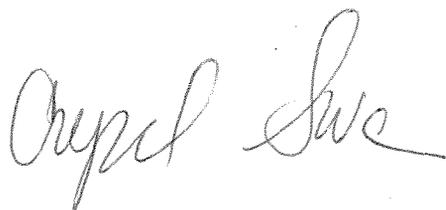

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Areas without FiOS franchises will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

Dear Senator Menendez,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Areas without FiOS franchises will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

Dear Senator Menendez,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Areas without FiOS franchises will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

Sherie A. Brush

DEAR SENATOR GILLIBRAND?

I AM WRITING TO URGE YOU TO FIGHT THE PROPOSED DEAL BETWEEN VERIZON SUBSIDIARY "VERIZON WIRELESS" & THE CABLE COMPANIES. THE FCC & THE DOJ SHOULD NOT APPROVE THIS DEAL, WHICH DESTROYS GOOD UNION JOBS, AND IS ALSO BAD FOR CUSTOMERS.

THIS PROPOSED DEAL CREATES AN UNFAIR COMPETITIVE ADVANTAGE BETWEEN VERIZON AND THE CABLE COMPANIES, INCLUDING COMCAST & TIME WARNER. VERIZON THROUGH ITS SUBSIDIARY VERIZON WIRELESS, WILL FORM A GREAT UNREGULATED PRICE-MONOPOLY WITH THE CABLE COMPANIES.

THIS DEAL WILL BE PARTICULARLY BAD FOR VERIZON WIRELESS AND CABLE, REDUCING ANY INCENTIVE TO INVEST IN FIOS AND COMPETE AGAINST CABLE. THERE WILL BE FEWER JOBS FOR BUILDING, MAINTAINING, SECURING AND FIXING THE FIOS NETWORK.

BUFFALO, SYRACUSE, ALBANY AND OTHER UPSTATE CITIES & RURAL AREAS AS WELL AS COSTA MESA, LONG ISLAND WILL ALL GET LEFT BEHIND W/ NO CABLE COMPETITION, COSTING C.U.A. & I.B.E.W. JOBS. LOCAL REGIONAL OFFICES WOULD BE AFFECTED, SINCE THERE WILL BE FAR LESS REVENUE TO INVEST IN THE NETWORK.

I URGE YOU TO REJECT THIS PROPOSED DEAL IT WILL DESTROY JOBS, AS WELL AS HURT CONSUMERS. THANK YOU FOR YOUR CONSIDERATION.
