Dear Senator Lautenberg,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Areas without FiOS franchises will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

TELLY TORSIELLO

DEAR SENATOR MENENDEZ,

I AM WRITING TO URGE YOU TO FIGHT THE PROPOSED DEAL BETWEEN VERIZON'S SUBSIDIARY VERIZON WIRELESS AND THE CABLE COMPANY. THE FCC AND DOS SHOULD NOT APPROVE THIS DEAL, WHICH DESTROYS GOOD UNION JOBS, AND ALSO BIDS FOR CUSTOMERS

THIS PROPOSED DEAL ENDS A HISTORIC COMPETITION BETWEEN VERIZON AND THE CABLE COMPANIES, INCLUDING COMCAST AND TIME WARNER. VERIZON, THROUGH ITS SUBSIDIARY VERIZON WIRELESS, WILL FORM A GIGANT, UNREGULATED AND MONOPOLY WITH THE CABLE COMPANIES.

THIS DEAL WILL BE VERY PROFITABLE FOR VERIZON WIRELESS AND CABLE, ENOUGH ANY INCENTIVE TO INVEST IN FIBER AND COMPETE AGAINST CABLE. THERE WILL BE FEWER JOBS BUILDING, MAINTAINING, SERVICING AND INSTALLING THE FIBER NETWORK.

WHEN I URGE YOU TO RESIST THIS PROPOSED DEAL BECAUSE IT WILL DESTROY JOBS, AS WELL AS HURT CONSUMERS.

THANK YOU FOR YOUR CONSIDERATION

Dear Senator Menendez,

I am writing to urge you to fight against the Proposed deal between Verizon's subsidiary (Verizon Wireless) and the Cable companies. The FCC and DOT should not approve this deal, which destroys good union working class jobs and is also bad and unfair to the customers.

This Proposed deal ends a history of competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon through its subsidiary (Verizon Wireless) is trying to form a giant monopolized monopoly with the cable companies against the best interests of both the consumer and its employees.

This deal will be very profitable for Verizon Wireless and Cable, creating a stack of incentive to invest or invest in FIOS and one fair competition against cable.

This will result in fewer jobs, building and maintenance reduction as well as servicing and installing the FIOS network which is still a very profitable and viable business which brings jobs to the working class citizens of America, who live and contribute to the economy.

If this deal goes through Cities like Buffalo, Syracuse, Albany ~~to~~ other up state New York and much more as well as Long Island and many New Jersey towns like my hometown of Selin in Woodbridge will continue to be without the services of FIOS which Verizon claims is the best product on the market.

As a result of this Proposed Verizon will continue to lay off many of our members from CWA and IBEW, and slash our families, while they continue sending jobs overseas to India, the Philippines.

Senated, I beg of you to urge your fellow lawmakers in the house and Congress to reject this Proposed which is purely designed to enhance Verizon's corporate greed at the expense of us hard working citizens when our only ambition is to feed and educate our families so that America can once again become the greatest company in the world.

With Thanks and Sincerity

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon bought the subsidiaries Verizon Wireless and Verizon, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in fiber and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the fiber network.

Ruffalo, Syracuse, Albany and Upstate cities and rural areas as well as Eastern Long Island, will all get left behind without competition, costing jobs and IBEW jobs. Our region with fiber could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

I AM WRITING TO URGE YOU TO FIGHT THE PROPOSED DEAL BETWEEN VERIZON'S SUBSIDIARY VERIZON WIRELESS AND THE CABLE COMPANIES. THE FCC AND DOJ SHOULD NOT APPROVE THIS DEAL, WHICH DESTROYS GOOD, UNION JOBS, AND IS ALSO BAD FOR CUSTOMERS.

Dear Senator Mikulski,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Baltimore, the Eastern Shore and Western Maryland will all get left behind with no cable competition, costing CWA and jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

Carolyn Waddy
