Dear Senator Schumer,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC & DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Dear Senator Schumer,

I am writing to urge you to oppose the deal between Verizon's subsidiary Verizon Wireless and the cable companies. The FCC and DOJ should not approve this deal because it destroys union jobs for many middle class workers and it is bad for customers.

The deal eliminates competition between Verizon and Time Warner, comcast and others. Verizon Wirless is trying to create an monopoly with cable companies.

This deal will be very lucrative to these companies and end competitiveness between companies and will translate to poorer service with no incentive to improve.

The deal will also eliminate many jobs in the Buffalo, Syracuse, Albany and other upstate rural areas. This will cost loss of jobs from CWA (Communication workers of America) and IBEW (International brotherhood of Electrical workers). The plant in these locations will be neglected and left to fail.

I urge you to reject this proposed deal because it will destroy jobs as well as hurt customers. Thank you for your consideration.

Dear Senator Shumer,

I am writing to urge you fight the proposed deal between Verizon's subsidiary Verizon Wireless and the cable companies. The FCC and DOJ should not approve this deal which destroys jobs and is also bad for customers.

The proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through it's subsidiary Verizon Wireless will form a giant, unregulated quasi monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable ending any incentive to invest in FIOS and compete against cable. There will be fewer jobs building, maintaining, servicing, and installing the FIOS network.

Areas without FIOS franchises will get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FIOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs as well as hurt customers.

Thank you for your consideration,

sincerely, Michael Corazon MICHAEL CORAZON

DEAR SENATOR SCHUMER,

I AM WRITING TO URGE YOU TO FIGHT THE PROPOSED DEAL BETWEEN VERIZON'S SUBSIDIARY VERIZON WIRELESS AND THE CABLE COMPANIES. THE F.C.C. AND D.O.J. SHOULD NOT APPROVE THIS DEAL, WHICH DESTROYS GOOD UNION JOBS, AND IS ALSO BAD FOR CUSTOMERS.

THIS PROPOSED DEAL ENDS A HISTORIC COMPETITION BETWEEN VERIZON AND THE CABLE COMPANIES, INCLUDING AND TIME WARNER. VERIZON, THOUGHT ITS SUBSIDIARY VERIZON WIRELESS, WILL FORM A GIANT, UNREGULATED QUASI-MONOPOLY WITH THE CABLE COMPANIES.
