Dear Senator Mikulski,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable Companies. The FCC and DOJ should not approve this deal. What destroys good union jobs and is also bad for customers.

This proposal deals ends a historic competition between Verizon and the Cable Companies, including Comcast. Verizon through its subsidiary Verizon Wireless, will be a giant, unregulated quasi-monopoly with the Cable Companies.

This deal will be very profitable for Verizon Wireless and Cable. There will be fewer jobs, building, maintaining, servicing and installing the FIOS Networks.

Baltimore, the Eastern Shore and Western Maryland will all get left behind with no Cable Competition. Costly cut any jobs. Even regions with FIOS can be affected, since there will be less incentive to invest in the Networks.

I urge you to reject this proposal deal because it will destroy jobs, as well as hurt Companies. Thank-you for your consideration.

Sincerely,

Yvonne Holmes

I AM WRITING TO URGE YOU TO FIGHT THE PROPOSED DEAL BETWEEN VERIZON'S SUBSIDIARY VERIZON WIRELESS AND THE CABLE COMPANIES. THE FCC ; DOJ SHOULD NOT APPROVE THIS DEAL, WHICH DESTROYS GOOD, UNION JOBS, AND IS ALSO BAD FOR CUSTOMERS.

THIS PROPOSED DEAL ENDS A HISTORIC COMPETITION BETWEEN VERIZON AND THE CABLE COMPANIES, INCLUDING COMCAST, VERIZON, THROUGH ITS SUBSIDIARY VERIZON WIRELESS, WILL FORM A GIANT, UNREGULATED QUASI-MONOPOLY WITH THE CABLE COMPANIES.

THIS DEAL WILL BE VERY PROFITABLE FOR VERIZON WIRELESS AND CABLE, ENDING AND INCENTIVE TO INVEST IN FIOS AND COMPETE AGAINST CABLE. THERE WILL BE FEWER JOBS BUILDING, MAINTAINING, SERVICING AND INSTALLING THE FIOS NETWORK. BALTIMORE, THE EASTERN SHORE AND WESTERN MARYLAND WILL ALL GET LEFT BEHIND WITH NO CABLE COMPETITION, COSTING CWA AND JOBS. EVEN REGIONS WITH FIOS COULD BE AFFECTED, SINCE THERE WILL BE FAR LESS INCENTIVE TO INVEST IN THE NETWORK. I URGE YOU TO REJECT THIS PROPOSED DEAL BECAUSE IT WILL DESTROY JOBS, AS WELL AS HURT CONSUMERS. THANK YOU FOR YOUR CONSIDERATION.

Dear Senator Mikulski,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Baltimore, the Eastern Shore and Western Maryland will all get left behind with no cable competition, costing CWA and jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

Janet Shedrick

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Baltimore, the Eastern Shore and Western Maryland will all get left behind with no cable competition, costing CWA and jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

Dear Senator Mikulski,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Baltimore, the Eastern Shore and Western Maryland will all get left behind with no cable competition, costing CWA and jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

ANTHONY L. ANDERSON
