Greetings, Senator Gillibrand;

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the cable companies. The FCC and DOJ should not approve the deal which destroys good union jobs and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in Fios and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the Fios network.

Buffalo, Syracuse, Albany, other Upstate cities and rural areas, as well as Eastern Long Island will all get left behind with no cable competition costing CWA and IBEW jobs. Even regions with Fios could be affected since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs as well as hurt customers.

Thank you for your consideration.

Sincerely,

Todd Glassman

DEAR SENATOR GILLIBRAND,

I AM WRITING TO URGE YOU TO FIGHT THE PROPOSED DEAL BETWEEN VERIZON'S SUBSIDIARY VERIZON WIRELESS AND THE CABLE COMPANIES. THE F.C.C. AND DOJ. SHOULD NOT APPROVE THIS DEAL, WHICH DESTROYS GOOD, UNION JOBS, AND IS ALSO BAD FOR CUSTOMERS.

THIS PROPOSED DEAL ENDS A HISTORIC COMPETITION BETWEEN VERIZON AND THE CABLE COMPANIES, INCLUDING COMCAST AND TIME WARNER. VERIZON, THROUGH ITS SUBSIDIARY VERIZON WIRELESS, WILL FORM A GIANT, UNREGULATED QUASI-MONOPOLY WITH THE CABLE COMPANIES.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in Fios and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the Fios network.

Buffalo, Syracuse, Albany, other upstate cities and rural areas, as well as Eastern Long Island, will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with Fios could be affected, since there will be far less incentive to invest in the network.

Dear Senator Schumer,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing FiOS network.

Buffalo, Syracuse, Albany, other Upstate cities and rural areas, as well as Eastern Long Island, will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

Joseph Scuderi

This deal will be very profitable for Verizon Wireless and cable ending any incentive to invest in FIOS and compete against cable. There will be fewer jobs building, maintaining servicing and installing the FIOS network.

Buffalo, Syracuse, Albany, other Upstate cities and rural areas, as well as Eastern Long Island, will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FIOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

James V. Starnes

Dear Senator Gillibrand,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary, Verizon Wireless, and the cable companies. The FCC and DOJ should not approve this deal which destroys good union jobs and is also bad for customers.

This proposed deal ends historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant unregulated quasi-monopoly with the cable companies ending any incentive for Verizon to continue to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing, and installing the FiOS network.

Buffalo, Syracuse, Albany, other upstate cities, and rural areas, as well as Eastern Long Island, will get left behind with no cable competition, costing CWIT and FBEW jobs. Even regions with FiOS could be affected since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt customers. Thank you for your considerations.

Sincerely,

DEAR SENATOR GILLIBRAND,

I AM WRITING TO URGE YOU TO FIGHT THE PROPOSED DEAL BETWEEN VERIZON'S SUBSIDIARY VERIZON WIRELESS AND THE CABLE COMPANIES. THE FCC AND DOJ SHOULD NOT APPROVE THIS DEAL, WHICH DESTROYS GOOD UNION JOBS, AND IS ALSO BAD FOR CUSTOMERS.

THIS PROPOSED DEAL ENDS A HISTORIC COMPETITION BETWEEN VERIZON AND THE CABLE COMPANIES, INCLUDING COMCAST AND TIME WARNER. VERIZON, THROUGH ITS SUBSIDIARY VERIZON WIRELESS, WILL FORM A GIANT, UNREGULATED QUASI-MONOPOLY WITH THE CABLE COMPANIES.

THIS DEAL WILL BE VERY PROFITABLE FOR VERIZON WIRELESS AND CABLE, ENDING ANY INCENTIVE TO INVEST IN FIOS AND COMPETE AGAINST CABLE. THERE WILL BE FEWER JOBS BUILDING, MAINTAINING, SERVICING AND INSTALLING THE FIOS NETWORK.

BUFFALO, SYRACUSE, ALBANY, OTHER UPSTATE CITIES AND RURAL AREAS, AS WELL AS EASTERN LONG ISLAND, WILL ALL GET LEFT BEHIND WITH NO CABLE COMPETITION, COSTING CWA AND IBEW JOBS. EVEN REGIONS WITH FIOS COULD BE AFFECTED, SINCE THERE WILL BE FAR LESS INCENTIVE TO INVEST IN THE NETWORK.

I URGE YOU TO REJECT THIS PROPOSED DEAL BECAUSE IT WILL DESTROY JOBS, AS WELL AS HURT CONSUMERS. THANK YOU FOR YOUR CONSIDERATION.

Dear Senator Gillibrand

I am asking you to fight against the proposed deal between Verizon Wireless and the local Cable Company. It will destroy 9000 jobs.

The deal ends competition and hurts the consumer. It will end incentive to invest in FiOS by Verizon leading to fewer jobs.

Upstate communities and the eastern Long Island areas will be left behind stunting the growth of Broadband in New York State.

I urge you to reject the proposed deal.
