Re: *WC Docket Nos. 11-42, and 09-197*

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's Rules, YourTel America, Inc. ("YourTel") gives notice that on June 18, 2012, Dale Schmick of YourTel and the undersigned attorney, met with Kimberly Scardino, Divya Shenoy, and Garnet Hanly of the FCC to discuss the FCC's recently-approved 2nd Revised Compliance Plan of TerraCom, and YourTel's pending 2nd Revised Compliance Plan.

YourTel explained that, in December of 2010, it accepted an investment from trusts controlled by the majority shareholders of TerraCom, Inc. ("TerraCom"), thus making YourTel an "affiliate" of TerraCom under the statutory definition of "affiliate" in 47 U.S.C. § 153(2). While both the TerraCom and YourTel Compliance Plans disclosed the overlap in ownership, neither plan explained that this relationship resulted in YourTel being an "affiliate" of TerraCom (though TerraCom is not a "holding company"). YourTel agreed to correct both the TerraCom Compliance Plan and its pending Compliance Plan to reflect this omission from the plans on file.

YourTel also explained that it and TerraCom had the necessary systems in place to ensure that neither company could enroll a customer already receiving Lifeline service from the other. The ability to cross-check customer service records between companies is company-wide, and not limited to the one state (Oklahoma) where both carriers offer Lifeline service.

Sincerely,
