

To FCC Commissioners Genachowski, Clyburn and McDowell:

<br />

<br />Please don't allow our free media to be jeopardized by monopolistic predators like News Corp.

<br />

<br />We all know the controversies that took place in the U.K. over that corporation.

<br />

<br />Keep American media voices diverse and open.

<br />

<br />And thank you for your hard work.

<br />

<br />Regards,

<br />
