

To FCC Commissioners Genachowski, Clyburn and McDowell:

The media should belong to the citizens, not a few giant corporations! This is getting completely out of control and needs to be stopped. America is suppose to be a FREE country, allowed to make their own FREE decisions without severe influence from the media. Just because a peasant cant do anything about your sins, doesn't mean that that you will be rid of them. God will punish all sins when this life is over. Please just do the right thing!!
