

To FCC Commissioners Genachowski, Clyburn and McDowell:

I DO NOT support lifting the 35 year old ban that prevents unscrupulous people like Rupert Murdoch to create a biased media monopoly.

We already have 6 giant corporations controlling more than half of what we watch & read everyday.....that is more than enough!

PLEASE − PLEASE − DO NOT LIFT THE BAN ON TV−NEWSPAPER DUAL OWNERSHIP.....it would give other media empires a go−ahead.

It would have similar destructive consequences to our democracy as the Supreme Court ruling, "Citizens United."

The FCC was created to PROTECT THE PUBLIC VOICE.....we need you to do that job.

WE ARE COUNTING ON YOU.
