**47 CFR § 54.313 Annual Report  
WC Docket No. 10-90**

FCC Mail Room

Name of Company: Kennebec Telephone Co., Inc.Address of Company: PO Box 158, Kennebec, SD 57544-0158Study Area Code (SAC): 391668Name and Title of Officer Certifying Information: Rod Bowar, President / Manager§ 54.313(a)(2) – Outage Information

The Company had one outage in the year 2011 of at least 30 minutes in duration that affected at least ten percent of its end users or that affected a 911 special facility. Following is detailed information on the outage(s):

- Date and time: March 3, 2011 @ 16:00 (CST)
- Description of outage and its resolution: On March 3, 2011 @16:00 (CST) SDN experienced fiber cuts near Hot Springs, SD and along the Iowa border which caused a ring to go down. Service was restored by 19:15(CST). These fiber cuts isolated all of Kennebec Telephone customers from using 911 and making long distance calls. The county sheriff was notified of this outage and the 911 circuit was rerouted to a number that was staffed.
- Particular services affected: Toll and 911 were affected.
- Geographic areas affected: All 746 square miles served by Kennebec Telephone Co., Inc.
- Steps taken to prevent similar situation: This was a very rare and unusual situation. Redundancy was already in place but to have two cuts at the same time on the same ring is very unusual. We feel as many safeguards as possible are already in place.
- Number of customers affected: All customers served by Kennebec Telephone Co., Inc.

§ 54.313(a)(3) – Unfulfilled Requests for Service

The Company did not have any unfulfilled service requests during the year 2011.

§ 54.313(a)(4) – Complaints

The Company had zero complaints per 1,000 connections (fixed or mobile) for the year 2011.

§ 54.313(a)(5) – Service Quality and Consumer Protection

The Company certifies that it is complying with applicable service quality standards and consumer protection rules.

§ 54.313(a)(6) – Emergency Situations

The Company certifies that it is able to function in emergency situations as set forth in § 54.202(a)(2). Specifically, the Company has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations.

§ 54.313(h) – Incumbent Local Exchange Carrier Voice Rate Data Effective June 1, 2012 - Include only information for residential rates (including any state fees) that are below the Local Urban Rate Floor of \$10.00

The Company has no residential rates (including states fees) that are below the Local Urban Rate Floor of \$10.00.

I Rod Bowar certify that I am an officer of the company named above and that I can certify under penalty of perjury to the accuracy of the information provided herein and make the certifications required by § 54.313.
