Robert.

Attached are documents that were faxed to Schools and Libraries on March 17, 2011, to fulfill the requirements that were lacking at the time. I normally send everything by email but we had problems with our technology for several months due to our server switch out from BIE to BIA. I am sending the scan copy of the fax transmittal coversheet, the basic maintenance, the telephone/fax invoices, and the signed contract that was sent. If there are any questions, please contact me. Thank you very much
