Dear Ms. Dortch:

Yesterday, Christi Shewman, Joel Lubin, Celia Nogales, Debra Clemens, Jackie Yofon, and I, on behalf of AT&T, met with the following representatives of the Wireline Competition Bureau: Deena Shetler, Victoria Goldberg, Randy Clarke, Dan Ball, Doug Slotten, and Don Sussman. In the meeting, we discussed AT&T's calculation of eligible revenue for purposes of the annual access tariff filing by its incumbent local exchange carrier affiliates. In particular, we explained that the calculation of eligible revenue was largely consistent with prior modeling that AT&T has done, and with information that AT&T previously furnished to the Commission.

Pursuant to section 1.1206 of the Commission's Rules, this letter is being filed electronically with your office for inclusion in the public record of the above referenced proceedings.

If you have any questions, please do not hesitate to contact me at (202) 457-3821.

Sincerely,

/s/ Henry Hultquist
