**CC Docket No. 02-6**

**Request for Waiver**

Locust Grove ISD (Billed Entity Number: 140142) is requesting a waiver for the filing deadline for an application that was submitted 7 days after the filing deadline of March 20<sup>th</sup>, 2012. The relevant 471 application number is: 875585.

Consistent with the precedent established in multiple orders (*Acorn Public Library District Order*<sup>1</sup>, *Academy of Math and Science Order*<sup>2</sup>, *Anderson Elementary School Order*<sup>3</sup>) we submit a request for a waiver of the Funding Year 2012 471 Filing Deadline for application # 875585.

Locust Grove School District 17's Form 470 #420390001031893 for internal connections was posted February 28, 2012. Their Form 471 875585 was certified March 27, 2012, seven days after the filing deadline.

Locust Grove was waiting on the out-of-window letter that USAC sends to applicants to let us know that our application was submitted late, but we noticed the FCC has issued waivers for applicants who have not yet received such a letter (see the *Anderson Elementary School Order*).

Because Locust Grove School District followed the mandated 28-day bidding period, the corresponding Form 471 were then certified out of window, within 14 days of March 20<sup>th</sup>, 2012, the district hereby requests a waiver of the filing deadline for the 2012 filing year.

---

<sup>1</sup> *Acorn Public Library District Order, DA 08-2376, Adopted 10/30/2008, para. 5*: Establishing that submission of a 471 application within 14 days is a procedural and not substantive violation. "Because the violation at issue is procedural, not substantive, we find that complete rejection of each of these applications is not warranted. Therefore...because the FCC Form 471 was filed within 14 days after the filing window deadline, we find it in the public interest to waive the FCC Form 471 deadline."

<sup>2</sup> *Academy of Math & Science Order, FCC 10-122, Adopted 6/7/2010, para. 9*: "...we find that these applications were filed close enough to the deadline so as not to impair the administration of the program."

<sup>3</sup> *Anderson Elementary School Order, DA 12-796, Adopted 5/22/2012, para. 2*: "We grant the 40 waiver requests...because those petitioners applications...were filed shortly after the filing window closed."

Please use the contact information for the district's E-rate Consultant (below) for any questions, requests or correspondence.

Respectfully,

Chris Webber
