

OFFICER CERTIFICATION

Under penalty of perjury the undersigned certifies:

(A) That the ETC intends to offer broadband service pursuant to the Commission's rules and regulations for the Lifeline program;

(B) That the ETC will implement all necessary procedures and efforts to prevent waste, fraud and abuse in connection with its participation in the Pilot Program, including but not limited to procedures that the ETC will have in place to prevent duplicate broadband subsidies within its subscriber base, and procedures the carrier undertakes to de-enroll subscribers receiving more than one broadband discount per household;

(C) That the ETC's broadband service offering(s) will provide sufficiently low latency to enable use of real-time applications such as Voice over Internet Protocol (VoIP) and if there are usage limits for each plan, that they are reasonably comparable to usage limits for comparable broadband offerings in urban areas; and

(D) That the ETC will participate in the collection and sharing of anonymized qualitative and quantitative data with standardized data elements, formatting, and submission requirements, and that the ETC will participate in workshops to discuss interim and final results of the project, and how best to use limited universal service funds to increase low-income consumers' adoption of broadband services.
