Office of the Secretary  
Federal Communications Commission  
445 12<sup>th</sup> St. SW  
Washington, DC 20554

**RE WC Docket No. 10-90**

Dear Ms. Dortch:

Enclosed is Michigan Central Broadband Company's certification pursuant to § 54.313(a)(2)-(6) for 2012.

This filing has been revised to correct the Company's study area code, and supersedes the original filing received by you on June 28, 2012.

Sincerely,

David C. Hoover  
President and General Manager

DCH/vk

**Annual Reporting Requirements pursuant to § 54.313(a)(2)-(6)**

**WC Docket No. 10-90**

§ 54.313(a)(2) – Outage reporting

- My company was not required to collect this information in 2011.
- My company collected this information pursuant to state utility commission requirement. A copy of the report is attached.

§ 54.313(a)(3) – Unfulfilled service requests

- My company was not required to collect this information in 2011.
- My company collected this information pursuant to state utility commission requirement. A copy of the report is attached.

§ 54.313(a)(4) – Customer complaints per 1000 connections

- My company was not required to collect this information in 2011.
- My company collected this information pursuant to state utility commission requirement. A copy of the report is attached.

§ 54.313(a)(5) – Service quality standards and consumer protection rules

I certify that the reporting carrier is in compliance with applicable service quality standards and consumer protection rules.

§ 54.313(a)(6) – Ability to function in emergency situations

I certify that the reporting carrier can function in emergency situations as set forth in 47 CFR §54.202(a)(2). Specifically, the reporting carrier has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations.

I am authorized to make this certification on behalf of the company named above and, to the best of my knowledge the information reported on this form is accurate. This certification is for the study area(s) listed below. **(Please enter your Company Name, State and Study Area Code)**

Company Name	State	Study Area Code
Michigan Central Broadband Company	Michigan	310785

(If necessary, attach a separate list of additional study areas and check this box.)

Signed,

Date: June 29, 2012

**The number of requests for service from potential customers within the recipient's service areas that were unfulfilled during the prior calendar year**

As noted, Carrier is an ILEC with telecommunication facilities already in place, and thus Carrier was able to provide service to all customers that reasonably requested service in its ETC service area during 2011, and had no unfulfilled requests for service in its ETC service area.

**§ 54.313(a)(2) – Outage reporting**

Carrier is an ILEC with telecommunication facilities already in place, and thus Carrier was able to provide service to all customers that reasonably requested service in its ETC service area during 2011, and had no unfulfilled requests for service in its ETC service area.

**§ 54.313(a)(3) – Unfulfilled service requests**

The number of complaints of service quality per 1000 lines for 2011: The Company had one (1) service quality complaint for the entire year 2011. This complaint was successfully resolved by Carrier.
