Re: **Time Warner Cable, Inc. Request for AT&T Declaration for Effective Competition Filing**

Dear Mr. Gilley:

This letter is in response to your May 8, 2012, email request on behalf of Time Warner Cable ("Time Warner") for a declaration from AT&T that it is operating in certain Wisconsin communities in the Milwaukee area for purposes of demonstrating effective competition using the so-called LEC Test under Section 76.907(c) of the FCC's rules. AT&T offers video programming services directly to subscribers in the following communities of Wisconsin: Village of Bayside; Village of Brown Deer; City of Cudahy; Village of Fox Point; City of Franklin, City of Glendale; Village of Greendale; City of Greenfield; Village of Hales Corners; City of Milwaukee; City of Oak Creek; Village of River Hills; Village of Shorewood; City of South Milwaukee; City of St. Francis; City of Wauwatosa; City of West Allis; and Village of Whitefish Bay.

Attached is a declaration from an AT&T manager responsible for marketing and sales of AT&T U-verse services. The declaration confirms that AT&T offers AT&T U-verse TV service in the listed communities and that the service in those communities is comparable to the video service offered by the incumbent cable operator. In addition, the declaration includes certain other representations that show the elements of the LEC Test are satisfied.

Please feel free to call me at 214-7575-3369 if you have any questions.

Very truly yours,

A handwritten signature in black ink, appearing to read "Derek Dickinson", written over a horizontal line.

Declaration of Ralph Newcomb Vice President of Technical Operations for Time Warner Cable – Wisconsin

DECLARATION

I, Ralph Newcomb, Vice hereby declare under penalty of perjury as follows:

1. I am Vice President of Technical Operations for Time Warner Cable - Wisconsin ("Time Warner Cable"), the owner and manager of the cable system involved in the foregoing Petition for Special Relief ("Petition"); and
2. In my position, I manage a staff of expert technicians responsible for the operation, construction and maintenance of Time Warner Cable's cable system. I am routinely in the field with my employees observing their activities, as well as the activities of other utility's construction, maintenance and operational employees, in the following Wisconsin communities: Village of Bayside; Village of Brown Deer; City of Cudahy; Village of Fox Point; City of Franklin; City of Glendale; Village of Greendale; City of Greenfield; Village of Hales Corners; City of Oak Creek; Village of River Hills; Village of Shorewood; City of South Milwaukee; City of St. Francis; City of Wauwatosa; City of West Allis; and Village of Whitefish Bay.; and
3. In my and my employees regular conduct, we routinely interact with and observe AT&T employees and contractors working on AT&T's U-Verse video system serving these same communities. This interaction and observation is necessary to coordinate construction schedules and manage the respective networks without interference from one another; and
4. Based on my first hand knowledge, I can attest that AT&T's video system serves virtually all the occupied households in the following communities: Village of Bayside; Village of Brown Deer; City of Cudahy; Village of Fox Point; City of Franklin; City of Glendale; Village of Greendale; City of Greenfield; Village of Hales Corners; City of Oak Creek; Village of River Hills; Village of Shorewood; City of South Milwaukee; City of St. Francis; City of Wauwatosa; City of West Allis; and Village of Whitefish Bay.

Ralph Newcomb
