

I am saying no to extending the favor to 2013.

My problem is when I tell a sited family about helping me do some thing with the remote they get verry anoyed.

Imagine, over and over again u need help.

We have had many fights about at home.

I do not want to struggle and have to rely on people to see what is on tv.

Please get this done as soon as possible.

It is a pain having to rely on someone.

Thanks
