

CERTIFICATION
FOR CENTURYLINK'S NOTICE OF ACCEPTANCE OF
CONNECT AMERICA FUND PHASE I INCREMENTAL SUPPORT
WC DOCKET NOS. 10-90, 05-337

Pursuant to 47 C.F.R. § 54.312(b)(3), the undersigned certifies that

- (1) the locations that will be served in satisfaction of the deployment requirement associated with these funds, identified by wire center and 2010 Census block ID in the attached files, are shown, on the current version of the National Broadband Map (as of April 25, 2012, the date the Commission announced the Connect America Fund (CAF) Phase I Incremental Support amounts), as unserved by fixed broadband offered by any provider other than: (a) CenturyLink or an affiliate, or (b) if CenturyLink's waiver petition is granted in full, a Wireless Internet Service Provider (WISP) in a geographic area for which the Commission grants such relief;¹
- (2) to the best of the knowledge of CenturyLink, these locations are, in fact, unserved by fixed broadband (other than possibly by a WISP for which the Commission grants CenturyLink waiver relief if the Commission does so);
- (3) CenturyLink's current capital improvement plan did not already include plans to complete broadband deployment within the next three years to the locations to be counted to satisfy the deployment requirement; and
- (4) this incremental support will not be used to satisfy any merger commitment or similar regulatory obligation.

Sincerely,

Jeff Glover
Vice President
Regulatory Operations
