**PETITION FOR RULEMAKING**

Appalachian Broadcasting Company, Inc. ("Appalachian") hereby request that the Commission amend the Table of Allotments as follows:

<b>Community</b>	<b>Current</b>	<b>Proposed</b>
Maysville, Georgia	279C3	265A, 279C3

As seen by the Engineering Statement attached hereto as Attachment 1 to the original filing, adoption of this proposal would be in full accord with the Commission's spacing rules, with a reference point of North 34 20 16.7 W 83 39 52.3. The only short-spacing that will occur is with respect to LPFM station WPPP-LP, Athens, Georgia, Facility No. 124235. Appalachian hereby commits to take care of the cost of resolving any interference issues caused to WPPP-LP, by this proposal when this facility is constructed.

A long-form FCC Form 301 (BNPH-20120713ABO) has been filed. Grant of this proposal will allow a second local FM service to be allocated to Maysville. Maysville is an incorporated community located in Banks County and Jackson County, Georgia.

Appalachian commits to filing any necessary expression of interest once Comments with respect to the Petition are accepted, and intends to participate in any auction for the allotment that is held and construct the proposed facility promptly.

Respectfully submitted,
