Reference: Docket 89-97 Region 5 800 MHz Regional Plan

Region 5 requests a change to the plan to allocate channels to multiple agencies. The channels are 604, 615, 616, 622,639, 654, 670, 677, 700, 715, 753, 768, and 782. Attached is an updated spreadsheet showing the list of frequency assignments. The changes are highlighted in red.

Actual system construction and location information is coordinated monthly within region 5 and adjacent regions by CPRA. CPRA is the region 5 APCO frequency coordination committee that works cooperatively with the regions 700 and 800 MHz RPC.

The Regional Revision Committee has approved this allocation.

Sincerely,

James C Donovan  
Chairperson
