Re: WC Docket No. 05-25, RM-10593

Dear Ms. Dortch:

On August 15, 2012, the undersigned had a conversation with Eric Ralph of the Wireline Competition Bureau with regard to the above-referenced proceedings. In the conversation COMPTEL noted that if CLECs had to report on connections they had via leased UNEs from the ILEC they may not be able to provide certain information such type of facility (e.g. hybrid or copper).

Please do not hesitate to contact me if you have any questions regarding this submission.

Respectfully submitted,

/s/ Karen Reidy
