

## 4G Coverage

We're rolling out 4G coverage as quickly as we can. Pick a state and then a city to view coverage in that area. Don't see your city on the list? [Sign up to be notified](#) when Sprint 4G comes to your area.

## 4G speeds

4G speeds are up to 10x faster than 3G. That's like swapping out DSL for a high-speed cable modem.

So what's the difference?	4G	3G
Average download speeds	3-6 Mbps	600Kbps - 1.4 Mbps
Peak download speeds <sup>1</sup>	More than 10 Mbps	Up to 3.1 Mbps
Monthly limit	All you can stream, browse, email, chat, watch and game.	5GB <sup>1</sup>

<sup>1</sup>Peak speeds may not apply to all markets. Actual speeds may vary.
