RE: Case Identifier: CGB-CC-1009
Update on Request for exemption from Commission's Closed Captioning rules

Dear Commission's Secretary:

The Television Ministry for First United Methodist Church of Valdosta, GA respectfully submits this update on the previously submitted petition request for an Economic Burden exemption from the Closed Captioning requirements, under Section 79.1 of the Commissions rules, 47 C.F.R. We are a non-profit organization.

Broadcasts of the Church's 1-hour weekly program are on a one week delay on NBC, WALB Channel 10, Albany, GA. These broadcasts are over Mediacom Cable only, for the Valdosta, Georgia market only, and are not over the air.

The church has contacted WALB- the video programming distributor, and they state that we fall under a different exemption under Section 79.1, since our broadcast is only over Cable, and it is a locally produced and distributed non-news programming with no repeat value.

Thank you for your consideration of this request.

Respectfully,
FIRST UNITED METHODIST CHURCH
